TRIVANDRUM DIVISION.

110. *Improvement of Varkalai and Tiruvallam.*

Mr. J. A. Gomez said that, at Tiruvallam in Trivandrum taluk and Varkalai in Chirayinkil taluk, the want of a dispensary, of better roads, of Munsiff and Magistrate's Courts and a primary school, was being greatly felt; also a bridge and ferry at Tiruvallam.

Dewan's reply.—The member's suggestions are noted.

111. *Lighting of roads in the town.*

Mr. S. Swamy Iyengar represented the necessity for lighting the following roads in the Trivandrum town—the road between the General Hospital and Uppida Ammaveedu in Vanchiyur, the road between the Fort and Tiruvallam and the road leading to Jagathi bridge.

Dewan's reply.—Government are now spending a considerable amount annually on this town. As I have said in the case of the Nagercoil town, the member should induce his fellow-townsmen to levy local taxes and increase their funds. Government will go to their help only after they do that.

The Assembly adjourned at 5 P. M.
